Dear TPC,

I'm writing to confirm that TOMRA and Cleanaway, who have together tendered to become the Network Operator for the Tasmanian Container Refund Scheme, commissioned Ethos Urban to submit comments and feedback on the draft SPP Amendment 01/2022 on our behalf. The submission by Ethos Urban was submitted earlier this afternoon by e-mail to the above address.

We would be pleased to answer questions, to provide further advice and/or to arrange visits to operating collection point facilities in other states if required.

Please don't hesitate to make contact.

Regards  
Harris
