I give up! You have now displayed to the rest of the country and the world how backward, self-seeking and retrograde the Liberal Government in Tasmania was, is and will remain so until the lot of you are replaced by some group who realise what the world, including Tasmania, needs to survive. And, believe it or not, it isn't football!!

It's a circus to appeal to the ignorant, the self-centred and the careless.

Don't count on it to win votes.
