Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

It is extremely important that the Mac Point assessment be most stringently and carefully scrutinised so that the impact of the proposed stadium in this area will be recognised for its negative and visually damaging effect that it will have on this irreplaceable heritage area.

This precinct is already impacted by heavy flow traffic congestion and this would become much worse by siting a stadium there.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Sue Lafferty
