Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

Time line is far to short and appears to be designed to limit input.  
On this alone the commission should refuse to consider the proposal.

I have read and fully endorse the submission made by Our Place - Hobart.

Unaffordable.

No stadium should be built in Hobart municipality due to its geographic location.  
Symmonds plains would be accepted as a central location but no stadium is needed as we already have York park  
(upgrade!! More waste of scarce funds) and Believe.

Yours faithfully,

Julian Bush
