Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

As the landscape architect who designed the National award winning CV Memorial and Flame of Remembrance Memorial adjacent to the proposed stadium I strongly oppose the idea that a massive stadium be constructed right next to our State Memorials.

I have read and fully endorse the submission made by Our Place - Hobart.

In addition, I support the DA approved and community endorsed plan for a mixed use and Aboriginal Cultural Reconciliation Centre to go ahead on the site.

Yours faithfully,

julie Stoneman
