Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

The time is now. The cause is now. The solution is now. Civic action sets the course and our institutions plot that determined course. Not since Gordon below Franklin has there been so much public discourse or din. The very singular notion that AFL deserves such massive taxpayer handouts is preposterous. We now examine under the democratic microscope all variables pertaining to this spurious project..

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Lee Smith
