Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

Dear Commission,  
Such a tight deadline for submissions, during a holiday period for many, does not give me confidence.  
An adjustment to the guidelines, as outlined in the submission by Our Place, will go some way to restoring some belief in the proposed process.

I have read and fully endorse the submission made by Our Place - Hobart.

In particular, the guidelines do not give fair and adequate weight to the impact of such a development on nearby residential areas.

Yours faithfully,

Erica Nathan
