Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am a Tasmanian furniture designer maker and am passionate about Tasmania's point of difference.

I have read and fully endorse the submission made by Our Place - Hobart.

I would like to suggest that what you are being asked to review is in two parts, a stadium of state significance and a site of state significance. In your consideration, both of these parts has crucial importance. The site should be protected as a crucial part of Tasmania's history and central of Hobart.. The stadium needs to be assessed on its viability otherwise it will be a white elephant. It can be built elsewhere.

Hobart is Tasmania's capital and as such belongs to all proud Tasmanians. Does the business case for a stadium stack up? Is this the right site for it taking into consideration all Tasmanians, not just AFL fans.

Yours faithfully,

Brendan Sharpe
