Dear Mr Lowe

Kentish draft Local Provisions Schedule

I refer to the representation made by SES on the Kentish draft Local Provisions Schedule (draft LPS) and the hearing held on the 29 February 2024.

Following discussion at the hearing, the Commission requests that the State Emergency Service (SES) provide a response to Direction no.2 set out in the attached directions schedule (Attachment A) by the date specified.

Further, the Commission invites SES to attend the resumed hearing for the draft LPS on Friday 19 April 2024, at the Kentish Council Chambers, commencing at 10am. MsTeams is available.

At this hearing, the Commission will discuss SES's representation and the submissions received from the direction. The Commission also seeks advice from SES on a matter raised in two representations from residents in Railton about the accuracy of the Flood-Prone Hazard Area overlay in the area.
