Dear John

Thank you for your letter of 13 August 2024 in relation to the declaration of the Bell Bay Wind Farm as a Major Project.

I note that the next stage of the process is to develop the assessment criteria that will be addressed as part of the Major Project impact statement. It is my understanding and expectation, that the Tasmanian Planning Commission will seek all relevant expert opinions on this matter, including seeking advice from the relevant Government Departments as part of the Parks and Environment portfolio. To this end, I note you have written to the Secretary of the Department of Natural Resources and Environment Tasmania.

Should you wish to discuss any of these matters further, or require any additional information, please do not hesitate to contact my office.

Yours sincerely

Hon Nick Duigan MLC
Minister for Parks and Environment
