Hello,

I refer to your correspondence dated 2 April 2026 regarding Kingborough draft Local Provisions Schedule (LPS).

I strongly agree and support the recommended zone in Ireneinc report relating to our property [REDACTED]
[REDACTED] Allens Rivulet as RURAL LIVING.

I am **strongly** opposed to the our property being rezoned as Landscape Conservation as it is our primary residence consisting of a house, shed, gardens and a paddock.

Regards

Robyn Rosey
