Subject: TasWater Representation - Dorset Draft Local Provisions Schedule

To the General Manager,

Please consider this email a representation from TasWater regarding the Dorset Council Draft Local Provisions Schedule (LPS).

The below table is land containing TasWater infrastructure (specifically a water storage that fits the definition of Utilities) that we consider should be zoned Utilities:

NAME	TYPE	SERVICE	VOLUME	FOLIO	PROPERTY_ID	PROPERTY
Winnaleah Reservoir	Reservoir	Water	78910	1	6824617	Warrentinna R

TasWater are of the opinion that treatment plants for both water and sewer, and water storages should be zoned as Utilities, but pump stations are suited to the underlying/surrounding zoning remaining in place.

Regards

Jason Taylor
