TasWater Representation - George Town Draft Local Provisions Schedule

To Planning

CAUTION: Do not click links or attachments unless you recognize the sender and know the content is safe

To the General Manager,

Please consider this email a representation from TasWater regarding the George Town Council Draft Local Provisions Schedule (LPS).

The below table is land containing TasWater infrastructure (specifically water storages that fit the definition of Utilities) that we consider should be zoned Utilities:

NAME	TYPE	SERVICE	OWNEDBY	Comments	VOLUME	FOLIO	PROPERTY_ID	PROPERTY_ADDRESS_LINE_1	PROPERTY_ADDRESS_LINE_2
Curries River Dam	Reservoir	Water	TasWater	Curries River Dam	135618	1	2053237	BRIDPORT RD	GEORGE TOWN TAS 7253
The Duck Pond	Reservoir	Water	TasWater	25 ML Basin (The Duck Pond)	135618	2	2053237	BRIDPORT RD	GEORGE TOWN TAS 7253

TasWater are of the opinion that treatment plants for both water and sewer, and water storages should be zoned as Utilities, but pump stations are suited to the underlying/surrounding zoning remaining in place.

Regards

Jason Taylor

THANKS
IS ENOUGH

Tasmanians are often keen to say thanks to our employees for a job well done. Instead of a gift, we'd prefer that you send us a simple card, a letter or an email. We'd appreciate it!
