Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

I do not think that a specific stadium should be built. Hobart is not the best place for all games. I live on NW Coast & it is too far to drive there & back in one day. Why are the current stadiums in Launceston & Hobart not being just upgraded?

I have read and fully endorse the submission made by Our Place - Hobart.

Lack of true community consultation is a problem. As is the fact that AFL demanded a new stadium.

Yours faithfully,

Anne Lockett
