Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

As a long term resident of Hobart I'm am deeply concerned about the way in which the AFL deal and proposed stadium have been imposed upon the people of Tasmania. Like most Hobartians we stand to gain nothing from this development but will be burdened with a facility which will be open only a handful of days and will be a blight on our beautiful cityscape. Mac Point should be developed for all Tasmanians and be open 365 days, providing year round enjoyment and economic stimulation, not just on game day

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Lynden Coad
