Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

As a person who has lived all my life in Hobart, I am concerned at the scale, cost and impact this project would have on the historical ambience of the City

I have read and fully endorse the submission made by Our Place - Hobart.

There needs to be full disclosure of all communications between Government, AFL, and all consultants. This is a project that is predominantly funded by taxpayers and as such there should be complete transparency.

I would like the guidelines to ensure all consultants be at arm's length from the Tasmanian government. Also, the requirement to have a Photo Montage that show a realistic image of the proposed Stadium and the impact this would have on the surrounding infrastructure and the traffic and transport aspect.

Yours faithfully,

Gail Sorbian
