Subject: [REDACTED] - Kettering - further submission

Dear Mr Heath

I am emailing in response to your correspondence dated 2 April 2026 regarding the Ireneinc Report (DOC/26/36829). I note that this Report recommends that our property be included within the Rural Living zone. We support this zoning.

The Ireneinc Report recommendation aligns with our original written submission and oral representation made to the Commission.

We remain opposed to the Landscape Conservation Zone.

Kind Regards
Sarah and Troy Thomson
