Dear Mr Ramsay

I refer to your request for further information (RFI Letter) dated 19 November 2024 and my correspondence yesterday.

Please find attached the additional flooding report that was requested at the meeting between the Corporation and Commission Officials on 17 January 2025, subsequent to the RFI letter on 19 November 2024. This responds to Item 32 as per the item numbers given in Annexure A of our previous responses to your RFI letter.

Regarding the Goods Shed conservation management plan, as per my letter dated 7 May, this is expected to be finalised by the end of next week, pending confirmation from the heritage consultants.
