Feedback: We are the owners of 388 Hurdle Road, Saltwater River.

Part of that land is subject to a conservation covenant.

We request that all of the land in Title 209585/1 and 240132/1 (PID 3575475) be zoned as Landscape Conservation under the new Tasmanian Planning Scheme.

We also ask that split zoning be applied to Title 243116/1 with the portion subject to the conservation covenant (approx 78%) being zoned Landscape Conservation and the remainder (approx 22%) being zoned Rural. The Rural portion of Title 243116/1 is an existing plantation of eucalyptus niger.

Please confirm receipt and advise if the above request needs to be made by a different form or method.

Thanks
