You don't often get email from patrick.ryan@silverdome.com.au. [Learn why this is important](#)

Dear Sir/Madam,

I recently met with Eric Smith, Town Planner, at the Silverdome sign, which sits at the junction of Oakden Road and Westbury Roads, Prospect. Eric is currently considering a Development Application for the sign, which has been in situ since 1985, when the Silverdome opened.

Over time, Oakden Road became residential varying quite differently to the 'business zone' it first was. The sign sits mere metres from the 'business zone', on the opposite side of the road.

The purpose of this email is to request that the location of the Silverdome sign be re-zoned to business. As the attached photos and history attest, a strong and quite reasonable argument can be made in support of this application.

If I can be of any further assistance, please do not hesitate to contact me.

Regards,

Patrick Ryan
