Subject: PDPSAMEND - 2021/022803 - Rezoning of Rosny Hill Nature Recreation Area to Environmental Management Zone

PDPSAMEND/022803

I support the proposed rezoning of Rosny Hill Nature Recreation Area from Recreation to Environmental Management as I consider this more accurately reflects its role and purpose, and the requirements for its ongoing care and management that are quite different from the needs of other recreation facilities like sportsfields.
