Dear Linda

Thank you for your direction requesting a statement on the merits of the submission made by Tasmanian Irrigation. We have prepared the planning response as requested.

However, I am writing to request that the deadline for submitting our response be extended to 27 April 2023. Our submission needs to go to the Council as a planning authority at the Council meeting scheduled for 26 April 2023, and we require additional time to review the response.

Thank you for your understanding.
