Re Harris road, I didn't receive any letters regarding traffic lights or round -about regarding the village complex. I'm am not against the new development at all.

My main concern is getting out of Harris road, as it is nearly impossible at some times.

If there are traffic lights put in, the traffic's is going to build up from the round about, and a lot of people these days haven't got the manners to let you merge in any more.

I have been thinking about this for a while and if there were to be a round -about at Harris road and stoney rise, with the amount of empty land across the road it would slow traffic down from the original round [about.to](#) Harris Rd, then there is a straight run to Home Centre to the traffic lights if they should go in.

Also there are many big trucks using that road.

I don't drive out of Harris Rd between 8a.m and 8.30 in the morning because of people taking their kiddies to school, it's near impossible.

I know this is a long email and I hope you can understand it.

Kind regards

Christina Darkiewicz

30 Harris Rd, Stony Rise TAS 7310, Australia
