Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

Good morning

As a government worker, with a high level of accountability, who has to follow evidence-based policies and procedures, I am appalled that there has been no clear, open process for the proposed stadium.

When our elected government fails to follow due process and transparency then the whole of our democratic society is in danger. Every citizen needs to be heard regarding such a huge project that will take so much public money. Anyone who actively endorses this stadium without transparency and accountability is failing all Tasmanians .

I have read and fully endorse the submission made by Our Place - Hobart.

As a Registered Nurse at RHH I have to work every day without the necessary resources and inadequate staffing. How can we have an entertainment stadium when Tasmanians are not getting the fundamental care, they both need and deserve? One day this will be you or sadly a vulnerable member of your family.

Yours faithfully,

Ros Wilson
