Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

Another test of this government's credentials. Hodgeman was elected with a promise of transparency - that's a promise that has yet to be fulfilled from any possible perspective during the last decade. It's a sad indictment of politics and governance generally in Australia, irrespective of party and ideological alignments. How about treating us all with respect and setting an example? The way things are done is meaningful.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Christopher Richards
