Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

As per usual government and councils decide on these white elephant ideas without proper consultation or consideration.. As Jim Bacon set up many years ago.. Football in the north at one of the best football fields of the AFL and cricket for the south!!

I have read and fully endorse the submission made by Our Place - Hobart.

Our children and grandchildren will be paying for this huge mistake for many years.  
The entering and departing of this complex will be a huge issue for the local streets.

Yours faithfully,

Janine Faulkner
