Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am an Eastern Shore resident; who has lived in greater Hobart for over 30 years.

I have read and fully endorse the submission made by Our Place - Hobart.

Traffic congestion is a serious problem. State or local govt have not made a scintilla of impact on traffic congestion in the last 20 yrs; it just gets worse. Ferries might help BUT not without long term parking on the E Shore; its hopeless! A stadium will be a traffic debarcle.

A linkage between a new stadium & a Tassie AFL team is tantamount to blackmail.

Our beautiful Cenotaph will end up as a backyard lawn stuck behind a concrete donut.

I completely endorse the 'No New Stadium' submission to the Planning Commission.

For goodness sake, let common sense prevail.

I categorically DO NOT support a stadium at Macquarie Point.

Yours faithfully,

Caroline Langley
