Dear Ms Bricknell

Tasmanian Planning Scheme – Northern Midlands Draft amendment 25-2026

I refer to the draft amendment above and advise the planning authority that a submission such as a heritage report by a suitably qualified person is to be provided at the hearing on the heritage values of the proposed Historic Heritage Precinct.

The Commission notes there was not a heritage report provided from a suitably qualified person included in the supporting information.

Given the imminent hearing date an alternative to providing the above-mentioned report is evidence provided at the hearing by a suitably qualified person.

Please ensure all parties complete a hearing attendance form and copies of any substantial evidence the planning authority wishes to submit at the hearing should be provided to the Commission and other parties.

Additional information should be provided to tpc@planning.tas.gov.au or if too large to email, please contact the Commission for assistance.

Yours sincerely

John Ramsay
Executive Commissioner
