Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

As a resident of NW Tas, I rarely drive the 5-6 hours to Hobart but when I do I am a visitor who looks for pleasant places like parks around the river where I can walk and picnic. Evidently, if vested interests get their way, I, like every Tasmanian, will be paying for a very expensive white elephant that despite commonsense is to be located on public land that I will no longer have access to. My understanding is that the vast majority of Tasmanians are opposed to the building of a stadium at Mac Point so I ask the Planning Commission to implement strong guidelines that act to ensure transparency and prevent vested interest interference. This is the least the public is owed in a democracy, especially when the majority voice is ignored.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Maureen Corbett
