**Subject:** Proposed zoning for [REDACTED] and [REDACTED] Blackmans Bay Tas 7052

Dear Linda.

Follow up on the zoning of my properties.

[REDACTED] Blackmans Bay Tas 7052 (title: [REDACTED])  
[REDACTED] Blackmans Bay Tas 7052 (title: [REDACTED])  
[REDACTED] Blackmans Bay Tas 7052 (title: [REDACTED])  
[REDACTED] in Blackmans Bay Tas 7052 (title: [REDACTED])

These properties were zoned Primary Industries when I brought them.  
I was wondering why this zoning was not considered in the Ireneinc report and if there is an opportunity for Primary Industries to be an option.

Also, can you email me

- what the difference is between Rural Living and Primary Industries.
- What does Rural Living mean and the positives/implications it may have on the properties.

Thank you for your efforts in the matter.

Kind regards,  
Rocco & Dianne Mangione
