Subject: Representation re Kingborough draft Local Provisions schedule (LPS) - Ireneinc Proposal

Dear Tasmanian Planning Commission,

Thank you for your letter dated 2 April 2026, advising of the Ireneinc Report rezoning recommendations for our property at [REDACTED].

We are in support of the proposal to re-zone Albion Heights and our property to a Rural Living Zone (RLZ), rather than the originally proposed Landscape Conservation zone.

Kind regards,

John and Esther Hoggart
