A new Customer Request has been lodged and you have been assigned as the Actioning Officer. Please check the Customer Services system for further information. 16-Nov-2020 07:25:40 - Citywatch Given Name: shirley jane Surname: edwards Contact Customer: No Request Location: sub-development of land running from the Channel Highway to the Esplanade, Cygnet. Additional Notes: Please email me, as a matter of urgency, the submission for the sub-development of land running from the Channel Highway to the Esplanade, Cygnet. The announcement in today's Sunday Tasmanian was the first I, and many others, had of this proposal. I have searched your website but can find no details. Nor did a search of the Tasmanian Planning Commission website disclose anything. I am alarmed at the lack of publicity for what may be the biggest sub-development Cygnet has seen. Thank you Jane Edwards Visible to Public: No
