The General Manager, Huon Valley Council with reference "Draft Huon Valley Local Provisions Schedule" Good afternoon, Further to my previous submissions dated the 26th May 2022 I attached the below plans obtained from Tasveg 4.0. It appears the Priority Vegetation Report was based on Tasveg 3.0 and the threatened species it refers to are not applicable to to Certificate of Title 108765/4. There for I request it be classified as Rural Living rather than Landscape Conservation.
