Good morning, I advise my husband (joint tenants of the property) has recently passed away suddenly therefore I have not had a chance to prepare a more detailed representation. I wish for the property to zoned as Rural rather than the proposed Landscape Conservation as it is just on the border and the bulk of the property has been cleared for farming purposes.

The General Manager, Huon Valley Council with reference "Draft Huon Valley Local Provisions Schedule" Good afternoon, Further to my previous submissions dated the 26th May 2022 I attached the below plans obtained from Tasveg 4.0. It appears the Priority Vegetation Report was based on Tasveg 3.0 and the threatened species it refers to are not applicable to to Certificate of Title 108765/4. There for I request it be classified as Rural Living rather than Landscape Conservation.
