Details of representations
<p>I am concerned about the proposed changes to land owner use in Glen Huon. Changes to Land Conservancy on my property at Frypan Road will make it difficult in the future for me to build and create a business on my property without the ability to remove a few trees where needed. My property has been logged and cleared many times prior to my ownership, and whilst I have no intention of logging it, I wish to reserve the right to Rural Living and make decisions related to my property, I wish that this area be listed as Rural Living not Land Conservancy as it will also devalue my property, and my intrinsic rights as a landowner and ratepayer.</p>
