Comments
<p>The General Manager, We refer to the proposed housing development on the Cygnets Channel Highway in Cygnets. The Scenic overlay preservation—the most recent map has mysteriously removed the existing scenic overlay. As residents in this area, we would like an explanation. This beautiful area has heritage status and affords a view of the Channel waterscape unavailable from elsewhere. It is the first view visitors to Cygnets receive and is loved and valued by residents. From a climate change perspective, we must not be removing scenic overlays, anywhere. It MUST be preserved. Additionally, the scenic overlay will improve pedestrian and cyclist safety on an increasingly busy road. Sincerely, Alan Kemp & Lisa Litjens</p>
