

DAO 698/2019 & SF 7059

Dear Sirs,

In reply to the notice we received earlier in the week, we would like to object to the idea of 24 low-cost dwellings being built on the corner of Hobart Road (357-361) & Alma Street, Youngtown.

There are many Housing Dept. houses in this area & many disjunctional people in them. They don't care about their neighbours, lots of swearing & loud cars, & they don't look after the house or garden.

Since the City Mission took over the nursery on the corner, the street scape has deteriorated & is very untidy & messy.

I believe the Catholic Church is involved in this construction & even though I realise a lot of people need cheaper accomodation, please do not make this another housing mistake.

There are also the Glenara residents, who are mostly elderly & enjoy the relative quiet area along Hobart Road, (apart from the truck & motorbike traffic!)

24 new residents, their belongs & cars! are a lot for that corner block.

Please reconsider your decision on that project!!!

Yours faithfully

H. & G. Coates, 1A Sisson Street.
