<b>Comments</b>	<p>I wish to submit an objection to the change of zone to my properties on Silver Hill Rd. I wish to continue to enjoy the amenity of the land which I have owned since February 1988.</p> <p>I am concerned that the proposed restrictions pertaining to this portion of land may affect my current and proposed lifestyle. I have found the the website very hard to use to gain any useful information. I feel that the council has begrudgingly allowed those adversely affected by these changes very little time to adequately investigate the ramifications of these zone changes. I would prefer for my properties to remain in the rural zoning and do not see the need for changing it to Landscape Conservation. I do not intend to change the current land use of my properties but wish to continue to use the properties as I have for the past 34 years.</p>
