<b>Comments</b>	We respectfully suggest that the residential property @ 41 Cemetery Road Cradoc Tas. 7109 is not an Agricultural Block. It is our understanding (and we are not sure of the date) this block was gifted to the original farmers daughter on her marriage so that she could build a house. At present the block consists of 1/3 paved courtyard to the East and the balance is lawns and landscaped gardens. In no way does the land resemble paddocks. With regards to rezoning we ask that the title "agricultural" be replaced with another much more appropriate and applicable title. please advise.
