Subject: DA0698/2019 and SF7059 Amendment 61

Hi,

We have received notification regarding the Application for Combined Planning Scheme Amendment and Permit Application regarding DA0698/2019 & SF7059 for 357-361 Hobart Road Youngtown.

As the landlord of 6 Alma Street, Youngtown Tasmania, we are wanting to review the documents which we were advised will be available on <https://onlineservice.launceston.tas.gov.au> until Tuesday 23 June 2020 5pm.

I am advising to let you know that the document is not available for viewing, therefore we are not given fair opportunity to take into consideration potential impacts this permit will have on our property we own.

We ask if you could please provide the relevant documents in a return email and also provide a reasonable extension to review this document in line with period this document has not been available on the site as per notice.

Thank you.

Regards,

Luke and Monique Cotton
