**Subject:** Proposed Zone

To Huon Valley Council

Name: Alison Callaghan  
Address: 1659 Pelverata Road, Pelverata  
Current Zone: Environmental Living  
Proposed Zone: Landscape Conservation

I have not had an adequate opportunity to engage a planner or to properly review what the new zone means to my property and whether I agree or disagree with the proposed zone.

By copy of this email I am requesting Council to accept my representation (submission) to the LPS planning changes and that I now be included in the opportunity to provide more detail and undertake a face to face (or zoom) review with the Tasmanian Planning Commission in the near future to review any zone impacts or changes to my property.

I look forward to hearing from you.

Regards  
Alison Callaghan
