Hello

RE: Nerissa Davis 159 Rocky Bay Road Deep Bay

I have not had adequate opportunity to engage a planner to properly review what the new zone means for my property and whether I agree or disagree with the proposed zone.

By copy of this email I am requesting Council to accept my representation (submission) to the LPS planning changes and I now be included in the opportunity to provide more detail and undertake a face to face review with the Tasmanian Planning Commission TPC in the near future to review any zone impacts or changes to my property.

With kind regards

Nerissa Davis
