Subject: I2021159179 - Representation to the Draft Local Provisions Schedule

Dear Council,

We have been engaged by the Department of Health for consultancy services to execute the design and construction of a new ambulance station in Shaw Street, Beaconsfield. On behalf of the Department of Health, we have been requested to formally lodge this representation to West Tamar Council's Draft Local Provisions Schedule to change the zoning of the site to Community Purpose.

We trust the above is satisfactory for your needs in relation to the lodgement of a representation.

Regards,

John Padas
