**Subject:** Representation New Bridgewater Bridge Major Project.

To whom it may concern,

Mark and Maria Datlen, who live at 4 Forest Road Granton ( Commandants Cottage). We are writing to you regarding the dirt bank on the Northern side of our boundary. The dirt bank has had substantial erosion down on to the Lyell highway in the nine approx years we have resided here. We are hoping provision is to be made to stop the erosion in the new bridge project before it encroaches on our property. Thank you.

Regards,

Mark and Maria Datlen.
