Subject: Re-Zoning Scheme

My name is Jason Garard. My address is 30 Igglesden Road Garden Island Creek. I am currently zoned Environmental Living.

I have not had adequate opportunity to engage a planner to properly review what the new zone means to my property and as such I disagree with the proposed zone.

By copy of this email/letter I am requesting Council to accept my representation (submission) to the LPS planning changes and that I now be included in the opportunity to provide more detail and undertake a face to face review with the Tasmanian Planning Commission (TPC) in the near future to review any zone impacts or changes to my property..

Yours Sincerely
Jason Garard
