

TASMANIAN PLANNING COMMISSION

Tasmanian Planning Scheme – Huon Valley draft LPS

Direction for the Information of all Parties

Publication of Documents on the Commission Website

The Commission has made the following changes to the Huon Valley draft LPS assessment webpage (HUO-LPS-TPS) [LPS-HUO-TPS – Tasmanian Planning Commission Website](#)

Representation 411

Replacement of representation 411 Huon Valley Council – draft Grove to Cockle Creek Threatened Vegetation Communities Specific Area Plan with correct representation 411 – Huon Valley Council – Nicholls Rivulet and Ida Bay.

The Commission understands that the planning authority is not seeking to introduce a draft Grove to Cockle Creek Threatened Vegetation Communities Specific Area Plan as part of the LPS process.

The correct representation 411 has been published and now corresponds with the recommendations made by the planning authority in the section 35F report.

Representation 231

Addition of representation 231 not previously published.

Representations 52, 89, 92, 140, 212, 242, 301

Updating of the above representations to include accompanying attachments not previously published.

For any queries regarding published representations, please contact the Commission on 6165 6828 or email tpc@planning.tas.gov.au
