Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

To even consider building at the moment is obscene. People desperately need housing, the health system is in crisis and teachers are leaving in droves. For goodness sake get your priorities right. I suspect the AFL made such outrageous demands for the stadium so that the Tasmanian government would not go ahead with it. so DON'T.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Katrine Benjamin
