Dear Mr Hogan

Request to extend period to respond to Directions of 21 December 2022

Draft amendment 02/22 to the West Tamar Local Provisions Schedule (rezoning from the Environmental Management Zone)

I refer to your letter of 21 December 2022 issuing directions to West Tamar Council regarding the above amendment.

There are a large number of properties involved in the amendment and the directions require further assessment of a number of the properties. In preparing the response it has become apparent that additional time will be required in order for Council to appropriately respond to the directions.

It is requested that the deadline for providing a response be extended to 30 June 2023.

If you would like to discuss this matter further please contact me on 6323 9300 or via email at michelle.riley@wtc.tas.gov.au.

Yours faithfully

Michelle Riley
