Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I live in [REDACTED], I am an AFL supporter, and I want to be assured that any stadium proposal is considered, open to public comment and is economically sensible and in the interest of future generations of Tasmanians.

I have read and fully endorse the submission made by Our Place - Hobart.

I want the guidelines to consider the previously considered and publicly declared uses for Macquarie Point including truth telling and reconciliation, Antarctic science, and cultural and natural attractions that build on Hobart's point of difference to other mainland cities. It is important this highly valuable site is used to benefit Tasmanians, Hobartians and visitors to Hobart.

Yours faithfully,

Graeme Beech
