Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I have long loved and enjoyed the waterfront in Hobart. Its historical significance in the development of Australia as a whole cannot be underestimated or overlooked.

Further research into the effects the building of a new stadium on the people of Hobart and tourism in general must consider all aspects. I believe the submission made by Our Place - Hobart presents some valid points to be reviewed.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Lee Renfree
